How do you make modifications to your Lake Doe Cove home?

See the HOA Documents for more detail.

Make changes to your home is not a complicated process if you follow the 3 steps:

1. If it effect the exterior, such as fencing, facade changes or color changes, you must make a plan showing the changes in detail. Any deviation from the color pallet for the neighborhood must be approved by the ARB (Architectural Review Board).
2. Send your planned changes to the ARB via email to: [Tim Goff](mailto:TimGoff)
3. Contract your work or DIY job. Some jobs require a Apopka Code Permit.
